After Hours Band Biography

Jenny Puetz

Vocalist

aka “The chick in the band”

Experience: My vast experience ranges from many many (did I mention many?) nights of karaoke at various local watering holes, guest DJ for private parties, and even being asked to sing on stage with several bands – impromptu style! Also, performed along side my brother, Matt Puetz, for an Alzheimer’s Benefit.

Influences: Being a wild child of the 80’s/90’s means I LOVE hairbands! Bon Jovi is my favorite to this very day. My biggest influences stem from singing with my brother, daughters, and nieces. I love nothing more than a loud, kick-ass, woman-empowering song. I have a large library of favorite genres – alternative, country, classic rock and more. You can find on my iPod – Miranda Lambert, Sugarland, Bon Jovi, 311, any good drinkin’ song and sooo much more!

Personal Information:

I am a single mother of 2 beautiful, talented young ladies. They may think I’m crazy sometimes, but they are my world. I’m a Business Office Manager by day - fun-lovin’, good time havin’-chick by night! This is my first time actually being “IN” the band as opposed to the guest star. I have an eclectic taste in tunes and our set-lists celebrate that! I hope our shows leave you wanting more!!
